Abbey Road  
Torquay TQ2 5DP

Dear Mrs Addison,

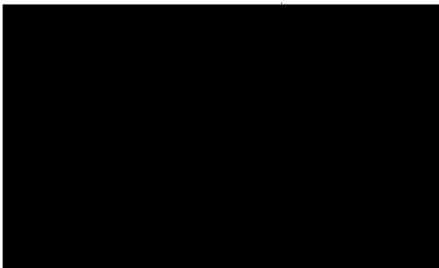

Planning Application P/2011/0844

I strongly object to the demolition of the Devon stone wall at the entrance to Links Close.

We should resist this application as it will allow commercial gain to ruin the ancient countryside. Existing development in this area has been sympathetic and limited. It has worked within the old field boundaries, rather than desecrating them to make daily access for hundreds of cars.

I implore the Planning committee to reject this application.

Yours sincerely,
